

## COMPANY OVERVIEW

As a member of the Henry Boot Group of Companies with an impressive track record and proven pedigree in construction expertise for over 100 years, Henry Boot Construction (UK) Limited is committed to combining the very best of traditional values with the latest advanced techniques.

The delivery of high quality construction work, on-time and within agreed cost parameters, has been the key to the enviable reputation and success enjoyed by Henry Boot during this time.

These performance targets, together with procurement, safety, environmental, IT and client-focus features, are embodied in the added value approach applied to all forms of contracts, which include negotiated, design-build, partnered and traditional tender work.

In partnership with its many clients and professional consultants, Henry Boot is truly committed to meeting the demands of the 21st century and to playing its part in 'Building The Future'.
